

Join Us For Soup on Nov. 4 and Take Your Bowl Home

At Newbury Court, our residents and staff have made over 300 beautiful bowls in our ceramics studio. When you arrive for lunch on November 4, you'll first make a modest charitable donation* and then be welcomed to a table loaded with nutritious soups, homemade bread and other tasty goodies to enjoy a friendly, informal lunch with some of your neighbors. After it's over, you'll select one of those empty handmade bowls and take it home as a gesture of our thanks and a reminder of the many empty bowls around the world that need our ongoing help. Every cent of the donations we collect will go to Open Table, the Concord charity dedicated to fighting hunger. So please join us for this very special event. It'll be fun to have you here, and you'll have done something good for people who need your help.

* Minimum \$25 is appreciated.

**Save the date and arrive hungry. It's Sunday,
November 4, noon to 4PM at Newbury Court.**
Phone reservations at 978.402.8278 appreciated but not required.
